(g) The class or type of commercial motor vehicle or vehicles which the person is authorized to drive together with any endorsements or restrictions.

(h) The name of this state.

(i) The dates between which the license is valid.

(2) Classifications, endorsements and restrictions. Driver's licenses may be issued with the following classifications, endorsements, and restrictions:

(i) Class A — Any combination of vehicles with a gross vehicle weight rating of twenty-six thousand one (26,001) pounds or more, provided the gross vehicle weight rating of the vehicle being towed is in excess of ten thousand (10,000) pounds.

(ii) Class B — Any single vehicle with a gross vehicle weight rating of twenty-six thousand one (26,001) pounds or more, and any such vehicle towing a vehicle not in excess of ten thousand (10,000) pounds.

(b) Licenses may be issued with appropriate endorsements and restrictions noted thereon. The commissioner shall determine the manner of notation. Endorsements and restrictions may include, but are not limited to, those which:

(i) Authorize a driver to drive a vehicle transporting hazardous materials;

(ii) Restrict the driver to vehicles not equipped with air brakes when the person either fails the air brake component of the knowledge test or performs the skills test in a vehicle not equipped with air brakes;

(viii) Restrict the driver to operation solely within this state. A commercial driver's license or commercial learner's permit with this restriction may be issued to any person who has attained the age of eighteen (18) years.

(3) Before issuing a commercial driver's license, the commissioner shall request the applicant's complete operating record from any state in which the applicant was previously licensed to operate any type of motor vehicle in the past ten (10) years, conduct a check of the applicant's operating record by querying the national driver register, established under 49 USCS Section 30302, and the Commercial Driver's License Information System, established under 49 USCS Section 31309, to determine if:

(a) The applicant has already been issued a commercial driver's license; and the applicant's commercial driver's license has been suspended, revoked, or canceled;

(b) The applicant had been convicted of any offenses contained in Section 205(a)(3) of the National Driver Register Act of 1982 (49 USCS Section 30304(a)(3)).

(5) The commercial driver's license shall expire in the manner set forth in Section 63-1-47.

(6) When applying for renewal of a commercial driver's license, the applicant shall complete the application form required by Section 63-1-210, providing updated information and required certifications. The department shall provide online renewals of a commercial driver's license as long as the renewal meets standards set forth in 49 CFR, Parts 383 and 384. If the applicant wishes to retain a hazardous materials endorsement, the written test for a hazardous materials endorsement must be taken and passed. In addition, the applicant must successfully complete the security threat assessment required by 49 CFR, Part 1572. If notice is received from the United States Transportation Security Administration that the applicant poses a security risk, the commissioner shall refuse to issue, or revoke within fifteen (15) days of receipt of the notice, a hazardous materials endorsement.
