§17A-3-1. Misdemeanor to violate provisions of article; penalty.

(a) It is unlawful for any person to drive or move or for an owner knowingly to permit to be driven or moved upon any highway any vehicle of a type required to be registered under this article which is not registered or for which a certificate of title has not been issued or applied for or for which the appropriate fee has not been paid when and as required under this article, except as otherwise permitted by the provisions of this chapter: Provided, That in the event of the sale of a vehicle by a person other than a registered dealer, the person purchasing the same may, for a period of not more than ten days, operate such vehicle under the registration of its previous owner and display the registration thereof: Provided, however, That he or she shall have and display on the demand of any proper officer the consent in writing of such previous owner so to use such registration.

(b) Unless otherwise provided for in this article, any person violating the provisions of this article is guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than \$500; and upon a second or subsequent conviction thereof, shall be fined not more than \$500, or confined in the county or regional jail not more than six months, or both.

§17A-3-1a. Registration of vehicles of new residents.

(a) Every owner of a motor vehicle, trailer or other vehicle, shall, within thirty days after taking up residence in the state, apply to the division and obtain registration and title for the vehicle.

(b) For the purposes of this chapter there is a rebuttable presumption that a natural person is a resident of this state if any of the following elements exist including, but not limited to:

(1) The person is registered to vote in this state.

(2) The person enrolls the person's child to be educated in a public elementary or secondary school in this state.

(3) The person is receiving public assistance from this state.

(4) The person resides or has continuously remained in this state for a period exceeding thirty days except for infrequent or brief absences.

(5) The person has accepted employment or engages in any trade, profession, or occupation within this state, except that this does not include a person who is commuting from the person's residence in another state or whose employment is seasonal or temporary, not exceeding ninety days.

(6) The person has filed for a homestead tax exemption on property in this state.

"Resident" does not include a person who is attending a college, university or other educational institution in this state, if the person has a domicile in another state and has a valid operator's license and vehicle registration issued by the state of domicile. "Resident" also does not include members of the Armed Forces that are stationed in West Virginia providing that their vehicles are properly registered in their state of residence or a member of the Armed Forces stationed in another state or country providing that their vehicles are properly registered in that state or country.

A corporation, association, partnership, company or firm whose principal place of business is located within this state is a resident of this state.

The provisions of this section shall not apply to vehicles registered under proportional registration agreement.

§17A-3-2. Every motor vehicle, etc., subject to registration and certificate of title provisions; exceptions.

(a) Every motor vehicle, trailer, semitrailer, pole trailer, and recreational vehicle when driven or moved upon a highway is subject to the registration and certificate of title provisions of this chapter except:

(1) Any vehicle driven or moved upon a highway in conformance with the provisions of this chapter relating to manufacturers, transporters, dealers, lienholders, or nonresidents or under a temporary registration permit issued by the division as authorized under this chapter;

(2) Any implement of husbandry upon which is securely attached a machine for spraying fruit trees and plants of the owner or lessee or for any other implement of husbandry which is used exclusively for agricultural or horticultural purposes on lands owned or leased by the owner of the implement and which is not operated on or over any public highway of this state for any other purpose other than for the purpose of operating it across a highway or along a highway other than an expressway as designated by the Commissioner of the Division of Highways from one point of the owner's land to another part of the owner's land, irrespective of whether or not the tracts adjoin: *Provided*, That the distance between the points may not exceed 35 miles, or for the purpose of taking it or other fixtures attached to the implement, to and from a repair shop for repairs. The exemption in this subdivision from registration and license requirements also applies to any vehicle described in this subsection or to any farm trailer owned by the owner or lessee of the farm on which the trailer is used, when the trailer is used by the owner of the trailer for the purpose of moving farm produce and livestock from the farm along a public highway for a distance not to exceed 35 miles to a storage house or packing plant, when the use is a seasonal operation:

(A) The exemptions contained in this section also apply to farm machinery, tractors, and mini-trucks: *Provided*, That the machinery, tractors, and mini-trucks may use the highways in going from one tract of land to another tract of land regardless of whether the land is owned by the same or different persons. For the purposes of this section, "mini-truck" means a foreign-manufactured import or domestic-manufactured vehicle designed primarily for off-road use and powered by engine ranging in size from 550cc to 660cc and weighing approximately 1,800 pounds;

(B) Any vehicle exempted under this subsection from the requirements of annual registration certificate and license plates and fees for the registration certificate and license plate may not use the highways between sunset and sunrise unless the vehicle is classified as a Class A motor vehicle with a farm-use exemption under the provisions of §17A-10-1 of this code and has a valid and current inspection sticker as required by the provisions of §17C-16-1 *et seq.* of this code and is traveling from one tract of land to another over a distance of 35 miles or less;

(C) Any vehicle exempted under this section from the requirements of annual registration certificate and license plates may use the highways as provided in this section whether the exempt vehicle is self-propelled, towed by another exempt vehicle or towed by another vehicle required to be registered;

(D) Any vehicle used as an implement of husbandry exempt under this section shall have the words "farm use" in at least 10-inch letters affixed to both sides or to both front and back of the implement or in at least 2-inch letters on license plates affixed to both front and back of the implement. Any vehicle which would be subject to registration as a Class A or B vehicle if not exempted by this section shall display a farm-use exemption certificate on the lower driver's side of the windshield:

(i) The farm-use exemption certificate shall be provided by the commissioner and shall be issued annually by the assessor of the applicant's county of residence. The assessor shall issue a farm-use exemption certificate to the applicant upon his or her determination pursuant to an examination of the property books or documentation provided by the applicant that the vehicle has been properly assessed as Class I personal property. Nothing in this section or any rule promulgated under the authority of chapter 29A of this code may be construed to require any applicant for a renewal of a farm use exemption certificate to appear personally before any assessor. The assessor shall charge a fee of \$2 for each certificate, which shall be retained by the assessor;

(ii) A farm-use exemption certificate shall not exempt the applicant from maintaining the security required by §17D-1-1 *et seq.* of this code on any vehicle being operated on the roads or highways of this state;

(iii) No person charged with the offense of operating a vehicle without a farm-use exemption certificate, if required under this section, may be convicted of the offense if he or she produces in court, or in the office of the arresting officer, a valid farm-use exemption certificate for the vehicle in question within five days;

(3) Any vehicle which is propelled exclusively by electric power obtained from overhead trolley wires though not operated upon rails;

(4) Any vehicle of a type subject to registration which is owned by the government of the United States;

(5) Any wrecked or disabled vehicle towed by a licensed wrecker or dealer on the public highways of this state;

(6) The following recreational vehicles are exempt from the requirements of annual registration, license plates and fees, unless otherwise specified by law, but are subject to the certificate of title provisions of this chapter regardless of highway use: Motorboats, all-terrain vehicles, utility terrain vehicles, and snowmobiles; and

(7) Any special mobile equipment as defined in §17A-1-1(r) of this code.

(b) Notwithstanding the provisions of subsection (a) of this section:

(1) Mobile homes or manufactured homes are exempt from the requirements of annual registration, license plates and fees;

(2) House trailers may be registered and licensed; and

(3) Factory-built homes are subject to the certificate of title provisions of this chapter.

(c) The division shall title and register low-speed vehicles if the manufacturer's certificate of origin clearly identifies the vehicle as a low-speed vehicle. The division may not title or register homemade low-speed vehicles or retrofitted golf carts and such vehicles do not qualify as low speed vehicles in this state. In addition to all other motor vehicle laws and regulations, except as

specifically exempted below, low-speed vehicles are subject to the following restrictions and requirements:

- (1) Low-speed vehicles shall only be operated on private roads and on public roads and streets within the corporate limits of a municipality where the speed limit is not more than 25 miles per hour;
- (2) Notwithstanding any provisions in this code to the contrary, low-speed vehicles shall meet the requirements of 49 C.F.R. §571.500 (2003);
- (3) In lieu of periodic inspection, the owner of a low-speed vehicle shall, upon initial application for registration and each renewal thereafter, certify under penalty of false swearing, that all lights, brakes, tires, and seat belts are in good working condition; and
- (4) Any person operating a low-speed vehicle must hold a valid driver's license, not an instruction permit.

§17A-3-2a. Registration of nonresident vehicles.

- (a) A nonresident vehicle is not required to be registered pursuant to §17A-3-2 of this code: *Provided, That* a nonresident vehicle may be registered in this state and be issued a West Virginia registration plate upon payment of all applicable fees to the division. For purposes of this subsection, the receipt and verification requirements of §17A-3-3a of this code do not apply.
- (b) For purposes of this section, “nonresident vehicle” means a vehicle titled in this state under the provisions of §17A-4-11 of this code, which is not intended to spend a majority of service time on West Virginia roads, owned by a business whose principal place of business is not in this state, that is not a common carrier, and that maintains a local, national, or international fleet of vehicles.
- (c) Nothing in this section subjects a nonresident vehicle to the inspection requirement set forth in §17A-16-4 of this code. A nonresident vehicle is not domiciled in any county in this state, and nothing in this section requires the imposition of personal property taxes within this state pursuant to §11-5-1 *et seq.* of this code.

(d) The division may promulgate emergency rules pursuant to the provisions of §29A-3-15 of this code and may propose rules for legislative approval in accordance with the provisions of §29A-3-1 *et seq.* of this code to accomplish the provisions of this section.

§17A-3-3. Application for registration; statement of insurance or other proof of security to accompany application; criminal penalties; fees; special revolving fund.

Every owner of a vehicle subject to registration under this article shall make application to the division for the registration of the vehicle upon the appropriate form or forms furnished by the division and every application shall bear the signature of the owner or his or her authorized agent, written with pen and ink, and the application shall contain:

- (a) The name, bona fide residence and mailing address of the owner, the county in which he or she resides or business address of the owner if a firm, association or corporation.
- (b) A description of the vehicle including, insofar as the data specified in this section may exist with respect to a given vehicle, the make, model, type of body, the manufacturer's serial or identification number or other number as determined by the commissioner.
- (c) In the event a motor vehicle is designed, constructed, converted or rebuilt for the transportation of property, the application shall include a statement of its declared gross weight if the motor vehicle is to be used alone, or if the motor vehicle is to be used in combination with other vehicles, the application for registration of the motor vehicle shall include a statement of the combined declared gross weight of the motor vehicle and the vehicles to be drawn by the motor vehicle; declared gross weight being the weight declared by the owner to be the actual combined weight of the vehicle or combination of vehicles and load when carrying the maximum load which the owner intends to place on the vehicle; and the application for registration of each vehicle shall also include a statement of the distance between the first and last axles of that vehicle or combination of vehicles.

The declared gross weight stated in the application may not exceed the permissible gross weight for the axle spacing listed in the application as determined by the table of permissible gross weights contained in chapter seventeen-c of this code; and any vehicle registered for a declared gross weight as stated in the application is subject to the single-axle load limit set forth in the chapter.

(d) Each applicant shall state whether the vehicle is or is not to be used in the public transportation of passengers or property, or both, for compensation and if used for compensation, or to be used, the applicants shall certify that the vehicle is used for compensation and shall, as a condition precedent to the registration of the vehicle, obtain a certificate of convenience or permit from the Public Service Commission unless otherwise exempt from this requirement in accordance with chapter twenty-four-a of this code.

(e) A statement under penalty of false swearing that liability insurance is in effect and will continue to be in effect through the entire term of the vehicle registration period within limits which may not be less than the requirement of section two, article four, chapter seventeen-d of this code, which shall contain the name and National Association of Insurance commissioners assigned code of the applicant's insurer, the policy number, and any other information required by the commissioner of Motor Vehicles or that the applicant has qualified as a self-insurer meeting the requirements of section two, article six of said chapter and that as a self-insurer he or she has complied with the minimum security requirements as established in section two, article four of that chapter. If the commissioner determines that the required security is not or was not in effect, he or she shall suspend the vehicle owner's driver's license and revoke the vehicle registration in accordance with the provisions of article two-a, chapter seventeen-d of this code.

If any person making an application required under the provisions of this section, in the application knowingly provides false information, false proof of security or a false statement of insurance, or if any person, including an applicant's insurance agent, knowingly counsels, advises, aids or abets another in providing false information, false proof of security, or a false statement of insurance in the application he or she is guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than \$500, or be imprisoned in jail for a period not to exceed fifteen days, or both fined and imprisoned and, in addition to the fine or imprisonment, shall have his or her driver's license suspended for a period of ninety days and vehicle registration revoked if applicable.

(f) Any further information that is reasonably required by the division to enable it to determine whether the vehicle is lawfully entitled to registration.

(g) Each application for registration shall be accompanied by the fees provided in this article and an additional fee of 50¢ for each motor vehicle for which the applicant seeks registration.

(h) Revocation of a motor vehicle registration pursuant to this section does not affect the perfection or priority of a lien or security interest attaching to the motor vehicle that is noted on the certificate of title to the motor vehicle.

§17A-3-3a. Payment of personal property taxes and emergency ambulance fees prerequisite to registration or renewal; duties of assessors; schedule of automobile values.

(a) Certificates of registration and renewal of registration of any vehicle or registration plates for any vehicle may not be issued or furnished by the Division of Motor Vehicles, or any other officer charged with the duty, unless the applicant for the certificate or registration plate, except an applicant exempt from payment of registration fees under section eight, article ten of this chapter, has furnished the receipt provided in this section or the division has received verification by electronic means to show full payment of:

(1) The personal property taxes for the current calendar year or the calendar year which immediately precedes the calendar year in which application is made on all vehicles which were registered with the Division of Motor Vehicles in the applicant's name on the tax day for the former calendar year; and

(2) All emergency ambulance fees owed pursuant to section seventeen, article fifteen, chapter seven of this code at the time the receipt is prepared, except for any of the fees that are not yet past due: Provided, That any county which does not impose emergency ambulance fees or which chooses not to show emergency ambulance fees on the personal property tax receipt may issue a receipt without complying with this subdivision and the Commissioner of Motor Vehicles may issue or renew registration without regard to such fees.

(b) If the applicant contends that any registered vehicle was not subject to personal property taxation for that year or that he or she does not owe any emergency ambulance fees if a receipt for fees are required by the county, he or she shall furnish the information and evidence as the Commissioner of Motor Vehicles may require to substantiate his or her contention.

(c) The assessor shall require any person having a duty to make a return of property for taxation to him or her to furnish information identifying each vehicle subject to the registration provisions of this chapter. When the property taxes on any vehicle have been paid, the officer to whom the

payment was made shall deliver to the person paying the taxes a written or printed receipt for the payment and shall retain for his or her records a duplicate of the receipt. It is the duty of the assessor and sheriff, respectively, to see that the assessment records and the receipts contain information adequately identifying the vehicle as registered under the provisions of this chapter. The officer receiving payment shall sign each receipt in his or her own handwriting.

(d) Each receipt given to a taxpayer for payment of personal property taxes on a vehicle may indicate on the receipt whether the taxpayer has paid all emergency ambulance fees owed pursuant to section seventeen, article fifteen, chapter seven of this code at the time the receipt is prepared, except for any of the fees that are not yet past due: Provided, That each county shall include on the same notice of personal property taxes due the additional amount due for all emergency ambulance fees.

(e) The State Tax Commissioner shall annually compile a schedule of automobile values based on the lowest values shown in a nationally accepted used car guide. The State Tax Commissioner shall furnish the schedule to each assessor and it shall be used by him or her as a guide in placing the assessed values on all automobiles in his or her county.

§17A-3-3b. Motor vehicles believed illegally unregistered; assessor to make verification.

If, on information and belief the assessor has reason to believe that a motor vehicle has not been properly registered in this state in violation of the provisions of section one of this article, he or she shall give notice by posting on the vehicle a notice advising the owner of the vehicle to contact the office of the assessor within fifteen days to verify that the owner is not a resident of the State of West Virginia. Factors to be considered in determining whether or not such person is a resident of this state include, but are not limited to, the following:

- (1) The person is registered to vote in this state;
- (2) The person enrolls the person's child or children to be educated in an elementary or secondary school in this state or has complied with applicable provisions of this code indicating an intent to home school the person's child or children in this state;
- (3) The person is receiving public assistance from this state;

- (4) The person resides or has continuously remained in this state for a period exceeding thirty days, except for infrequent brief absences;
- (5) The person has accepted employment or engages in any trade, profession or occupation within this state, except that this does not include a person who is commuting from the person's residence in another state or whose employment is seasonal or temporary, not exceeding thirty days;
- (6) The person has filed for a homestead tax exemption on property in this state;
- (7) The person subscribes to public utilities in this state in his or her own name;
- (8) The person receives his or her mail in this state pursuant to verification from the United States postal service.

In the event the assessor receives no response from the posting, the assessor will refer the matter to the prosecuting attorney. If it is determined that the vehicle has not been properly registered in this state, the owner of the vehicle is in violation of the provisions of this article and the person will be subject to the criminal sanctions contained in section one of this article.

§17A-3-4. Application for certificate of title; fees; abolishing privilege tax; prohibition of issuance of certificate of title without compliance with consumers sales and service tax provisions; exceptions.

(a) Certificates of registration of any vehicle or registration plates for the vehicle, whether original issues or duplicates, may not be issued or furnished by the Division of Motor Vehicles or any other officer or agent charged with the duty, unless the applicant already has received, or at the same time makes application for and is granted, an official certificate of title of the vehicle in either an electronic or paper format. The application shall be upon a blank form to be furnished by the Division of Motor Vehicles and shall contain a full description of the vehicle, which description shall contain a manufacturer's serial or identification number or other number as determined by the commissioner and any distinguishing marks, together with a statement of the applicant's title and of any liens or encumbrances upon the vehicle, the names and addresses of the holders of the liens and any other information as the Division of Motor Vehicles may require. The application shall be signed and sworn to by the applicant. A duly certified copy of the division's electronic record of a

certificate of title is admissible in any civil, criminal or administrative proceeding in this state as evidence of ownership.

(b) A tax is imposed upon the privilege of effecting the certification of title of each vehicle in the amount equal to five percent of the value of the motor vehicle at the time of the certification, to be assessed as follows:

(1) If the vehicle is new, the actual purchase price or consideration to the purchaser of the vehicle is the value of the vehicle. If the vehicle is a used or secondhand vehicle, the present market value at time of transfer or purchase is the value of the vehicle for the purposes of this section: Provided, That so much of the purchase price or consideration as is represented by the exchange of other vehicles on which the tax imposed by this section has been paid by the purchaser shall be deducted from the total actual price or consideration paid for the vehicle, whether the vehicle be new or secondhand. If the vehicle is acquired through gift or by any manner whatsoever, unless specifically exempted in this section, the present market value of the vehicle at the time of the gift or transfer is the value of the vehicle for the purposes of this section.

(2) No certificate of title for any vehicle may be issued to any applicant unless the applicant has paid to the Division of Motor Vehicles the tax imposed by this section which is five percent of the true and actual value of the vehicle whether the vehicle is acquired through purchase, by gift or by any other manner whatsoever, except gifts between husband and wife or between parents and children: Provided, That the husband or wife, or the parents or children, previously have paid the tax on the vehicles transferred to the State of West Virginia.

(3) The Division of Motor Vehicles may issue a certificate of registration and title to an applicant if the applicant provides sufficient proof to the Division of Motor Vehicles that the applicant has paid the taxes and fees required by this section to a motor vehicle dealership that has gone out of business or has filed bankruptcy proceedings in the United States bankruptcy court and the taxes and fees so required to be paid by the applicant have not been sent to the division by the motor vehicle dealership or have been impounded due to the bankruptcy proceedings: Provided, That the applicant makes an affidavit of the same and assigns all rights to claims for money the applicant may have against the motor vehicle dealership to the Division of Motor Vehicles.

(4) The Division of Motor Vehicles shall issue a certificate of registration and title to an applicant without payment of the tax imposed by this section if the applicant is a corporation, partnership or limited liability company transferring the vehicle to another corporation, partnership or limited liability company when the entities involved in the transfer are members of the same controlled group and the transferring entity has previously paid the tax on the vehicle transferred. For the purposes of this section, control means ownership, directly or indirectly, of stock or equity interests possessing fifty percent or more of the total combined voting power of all classes of the stock of a corporation or equity interests of a partnership or limited liability company entitled to vote or ownership, directly or indirectly, of stock or equity interests possessing fifty percent or more of the value of the corporation, partnership or limited liability company.

(5) The tax imposed by this section does not apply to vehicles to be registered as Class H vehicles or Class M vehicles, as defined in section one, article ten of this chapter, which are used or to be used in interstate commerce. Nor does the tax imposed by this section apply to the titling of Class B vehicles registered at a gross weight of fifty-five thousand pounds or more, or to the titling of Class C semitrailers, full trailers, pole trailers and converter gear: Provided, That if an owner of a vehicle has previously titled the vehicle at a declared gross weight of fifty-five thousand pounds or more and the title was issued without the payment of the tax imposed by this section, then before the owner may obtain registration for the vehicle at a gross weight less than fifty-five thousand pounds, the owner shall surrender to the commissioner the exempted registration, the exempted certificate of title and pay the tax imposed by this section based upon the current market value of the vehicle: Provided, however, That notwithstanding the provisions of section nine, article fifteen, chapter eleven of this code, the exemption from tax under this section for Class B vehicles in excess of fifty-five thousand pounds and Class C semitrailers, full trailers, pole trailers and converter gear does not subject the sale or purchase of the vehicles to the consumers sales and service tax.

(6) The tax imposed by this section does not apply to titling of vehicles leased by residents of West Virginia. A tax is imposed upon the monthly payments for the lease of any motor vehicle leased by a resident of West Virginia, which tax is equal to five percent of the amount of the monthly payment, applied to each payment, and continuing for the entire term of the initial lease period. The tax shall be remitted to the Division of Motor Vehicles on a monthly basis by the lessor of the vehicle.

(7) The tax imposed by this section does not apply to titling of vehicles by a registered dealer of this state for resale only, nor does the tax imposed by this section apply to titling of vehicles by this state or any political subdivision thereof, or by any volunteer fire department or duly chartered rescue or ambulance squad organized and incorporated under the laws of this state as a nonprofit corporation for protection of life or property. The total amount of revenue collected by reason of this tax shall be paid into the State Road Fund and expended by the Commissioner of Highways for matching federal funds allocated for West Virginia. In addition to the tax, there is a charge of \$10 for each original certificate of title or duplicate certificate of title so issued: Provided, That this state or any political subdivision of this state or any volunteer fire department or duly chartered rescue squad is exempt from payment of the charge. The Division of Motor Vehicles may adjust the fee for each original certificate or duplicate certificate of title every five years on September 1, based on the U. S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: Provided, That an increase in the fee may not exceed ten percent of the total fee amount in a single year.

(8) The certificate is good for the life of the vehicle, so long as the vehicle is owned or held by the original holder of the certificate and need not be renewed annually, or any other time, except as provided in this section.

(9) If, by will or direct inheritance, a person becomes the owner of a motor vehicle and the tax imposed by this section previously has been paid to the Division of Motor Vehicles on that vehicle, he or she is not required to pay the tax.

(10) A person who has paid the tax imposed by this section is not required to pay the tax a second time for the same motor vehicle, but is required to pay a charge of \$10 for the certificate of retitle of that motor vehicle, except that the tax shall be paid by the person when the title to the vehicle has been transferred either in this or another state from the person to another person and transferred back to the person. The Division of Motor Vehicles may adjust the fee for each original certificate of title every five years on September 1, based on the U. S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: Provided, That an increase in such fee may not exceed ten percent of the total fee amount in a single year.

(11) The tax imposed by this section does not apply to any passenger vehicle offered for rent in the normal course of business by a daily passenger rental car business as licensed under the

provisions of article six-d of this chapter. For purposes of this section, a daily passenger car means a Class A motor vehicle having a gross weight of eight thousand pounds or less and is registered in this state or any other state. In lieu of the tax imposed by this section, there is hereby imposed a tax of not less than \$1 nor more than \$1.50 for each day or part of the rental period. The commissioner shall propose an emergency rule in accordance with the provisions of article three, chapter twenty-nine-a of this code to establish this tax.

(12) The tax imposed by this article does not apply to the titling of any vehicle purchased by a senior citizen service organization which is exempt from the payment of income taxes under the United States Internal Revenue Code, Title 26 U. S. C. §501(c)(3) and which is recognized to be a bona fide senior citizen service organization by the Bureau of Senior Services existing under the provisions of article five-p, chapter sixteen of this code.

(13) The tax imposed by this section does not apply to the titling of any vehicle operated by an urban mass transit authority as defined in article twenty-seven, chapter eight of this code or a nonprofit entity exempt from federal and state income tax under the Internal Revenue Code and whose purpose is to provide mass transportation to the public at large designed for the transportation of persons and being operated for the transportation of persons in the public interest.
