[View Entire Chapter](#)

320.02 Registration required; application for registration; forms.—

(1) Except as otherwise provided in this chapter, every owner or person in charge of a motor vehicle that is operated or driven on the roads of this state shall register the vehicle in this state. The owner or person in charge shall apply to the department or to its authorized agent for registration of each such vehicle on a form prescribed by the department. A registration is not required for any motor vehicle that is not operated on the roads of this state during the registration period.

(2)(a) The application for registration must include the street address of the owner's permanent residence or the address of his or her permanent place of business and be accompanied by personal or business identification information. An individual applicant must provide a valid driver license or identification card issued by this state or another state or a valid passport. A business applicant must provide a federal employer identification number, if applicable, or verification that the business is authorized to conduct business in the state, or a Florida municipal or county business license or number.

1. If the owner does not have a permanent residence or permanent place of business or if the owner's permanent residence or permanent place of business cannot be identified by a street address, the application must include:

- a. If the vehicle is registered to a business, the name and street address of the permanent residence of an owner of the business, an officer of the corporation, or an employee who is in a supervisory position.
- b. If the vehicle is registered to an individual, the name and street address of the permanent residence of a close relative or friend who is a resident of this state.

2. If the vehicle is registered to an active duty member of the Armed Forces of the United States who is a Florida resident, the active duty member is exempt from the requirement to provide the street address of a permanent residence.

(b) The department shall prescribe a form upon which motor vehicle owners may record odometer readings when registering their motor vehicles.

(3) Prior to the registration in this state of any vehicle registered outside the state, the application must be accompanied by either a sworn affidavit from the seller and purchaser verifying that the vehicle identification number shown on the affidavit is identical to the vehicle identification number shown on the motor vehicle or a copy of the appropriate departmental form evidencing that a physical examination has been made of the motor vehicle by the owner and by a duly constituted police officer of any state, a licensed motor vehicle dealer, a license inspector as provided by s. [320.58](#), or a notary public commissioned by any state and that the vehicle identification number shown on the applicable form and the application is identical to the vehicle identification number shown on the motor vehicle. Vehicle identification number verification is not required for any new vehicle sold in this state by a licensed motor vehicle dealer, any mobile home, any trailer or semitrailer with a net weight of less than 2,000 pounds, or any travel trailer or camping trailer.

(4) Except as provided in ss. [775.21](#), [775.261](#), [943.0435](#), [944.607](#), and [985.4815](#), the owner of any motor vehicle registered in the state shall notify the department in writing of any change of address within 30 days of such change. The notification shall include the registration license plate number, the vehicle identification number (VIN) or title certificate number, year of vehicle make, and the owner's full name.

(5)(a) Proof that personal injury protection benefits have been purchased if required under s. [627.733](#), that property damage liability coverage has been purchased as required under s. [324.022](#), that bodily injury or death coverage has been purchased if required under s. [324.023](#), and that combined bodily liability insurance and property damage liability insurance have been purchased if required under s. [627.7415](#) shall be provided in the manner prescribed by law by the applicant at the time of application for registration of any motor vehicle that is subject to such requirements. The issuing agent shall refuse to issue registration if such proof of purchase is not provided. Insurers shall furnish uniform proof-of-purchase cards in a paper or electronic format in a form prescribed by the department and include the name of the insured's insurance company, the coverage identification number, and the make, year, and vehicle identification number of the vehicle insured. The card must contain a statement notifying the applicant of the penalty specified under s. [316.646](#)(4). The card or insurance policy, insurance policy binder, or **certificate** of insurance or a photocopy of any of these; an affidavit containing the name of the insured's insurance company, the insured's policy number, and the make and year of the vehicle insured; or such other proof as may be prescribed by the department shall constitute sufficient proof of purchase. If an affidavit is provided as proof, it must be in substantially the following form:

Under penalty of perjury, I (Name of insured) do hereby **certify** that I have (Personal Injury Protection, Property Damage Liability, and, if required, Bodily Injury Liability) Insurance currently in effect with (Name of insurance company) under (policy number) covering (make, year, and vehicle identification number of vehicle). (Signature of Insured)

Such affidavit must include the following warning:

WARNING: GIVING FALSE INFORMATION IN ORDER TO OBTAIN A VEHICLE REGISTRATION CERTIFICATE IS A CRIMINAL OFFENSE UNDER FLORIDA LAW. ANYONE GIVING FALSE INFORMATION ON THIS AFFIDAVIT IS SUBJECT TO PROSECUTION.

If an application is made through a licensed motor vehicle dealer as required under s. [319.23](#), the original or a photostatic copy of such card, insurance policy, insurance policy binder, or **certificate** of insurance or the original affidavit from the insured shall be forwarded by the dealer to the tax collector of the county or the Department of Highway Safety and Motor Vehicles for processing. By executing the aforesaid affidavit, no licensed motor vehicle dealer will be liable in damages for any inadequacy, insufficiency, or falsification of any statement contained therein. A card must also indicate the existence of any bodily injury liability insurance voluntarily purchased.

(b) When an operator who owns a motor vehicle is subject to the financial responsibility requirements of chapter 324, including ss. [324.022](#) and [324.023](#), such operator shall provide proof of compliance with such financial responsibility requirements at the time of registration of any such motor vehicle by one of the methods constituting sufficient proof of purchase under paragraph (a). The issuing agent shall refuse to register a motor vehicle if such proof of purchase is not provided or if one of the other methods of proving financial responsibility as set forth in s. [324.031](#) is not met.

(c) For purposes of providing proof of purchase of required insurance coverage under this subsection, the Office of Insurance Regulation of the Financial Services Commission shall require that uniform proof-of-purchase cards specified by the Department of Highway Safety and Motor Vehicles be furnished by insurers writing motor vehicle liability insurance in this state. Any person altering or counterfeiting such a card or making a false affidavit in order to furnish false proof or to knowingly permit another person to furnish false proof is guilty of a misdemeanor of the first degree, punishable as provided in s. [775.082](#) or s. [775.083](#).

(d) The verifying of proof of personal injury protection insurance, proof of property damage liability insurance, proof of combined bodily liability insurance and property damage liability insurance, or proof of financial responsibility insurance and the issuance or failure to issue the motor vehicle registration under the provisions of this chapter may not be construed in any court as a warranty of the reliability or accuracy of the evidence of such proof. Neither the department nor any tax collector is liable in damages for any inadequacy, insufficiency, falsification, or unauthorized modification of any item of the proof of personal injury protection insurance, proof of property damage liability insurance, proof of combined bodily liability insurance and property damage liability

insurance, or proof of financial responsibility insurance prior to, during, or subsequent to the verification of the proof. The issuance of a motor vehicle registration does not constitute prima facie evidence or a presumption of insurance coverage.

(e) Upon the expiration date noted in the cancellation notice that the department receives from the insurer, the department shall suspend the registration, issued under this chapter or s. [207.004\(1\)](#), of a motor carrier who operates a commercial motor vehicle or who permits it to be operated in this state during the registration period without having in full force liability insurance, a surety bond, or a valid self-insurance certificate that complies with this section. The insurer shall provide notice to the department at the same time the cancellation notice is provided to the insured pursuant to s. [627.7281](#). The department may adopt rules regarding the electronic submission of the cancellation notice.

(6) Any person who registers his or her motor vehicle by means of false or fraudulent representations made in any application for registration is guilty of a misdemeanor of the second degree, punishable as provided in s. [775.082](#) or s. [775.083](#). The department may demand the return of, and may cancel, any license plate issued based on false or fraudulent representations.

(7) Every owner or person in charge of a motor vehicle with a gross vehicle weight of 55,000 pounds or more shall present proof of filing or proof of payment, in such form as may be prescribed by the United States Secretary of the Treasury, of the use tax imposed by s. 4481 of the United States Internal Revenue Code of 1954, as amended, upon application for registration. Proof of payment or proof of filing will be made in accordance with the gross vehicle weight tax schedule established by s. 4481 of the Internal Revenue Code, as amended. An owner or person in charge of such a motor vehicle who has been exempted from the use tax by the Secretary of the Treasury shall present proof of such exemption in lieu of proof of payment. When an application is made through a licensed motor vehicle dealer as required in s. [319.23](#), the original or photostatic copy of such prescribed proof shall be forwarded by the dealer to the tax collector or the department for processing. The issuing agent shall refuse to issue a registration if such prescribed proof is not presented. Any person making a false affidavit in order to furnish false proof or to knowingly permit another person to furnish such false proof is guilty of a misdemeanor of the first degree, punishable as provided in s. [775.082](#) or s. [775.083](#).

(8) The application form for motor vehicle registration shall include language permitting a voluntary contribution of \$1 per applicant, which contribution shall be paid into the Nongame Wildlife Trust Fund. The application form shall also include language providing for a voluntary contribution of \$2, which shall be paid into the Highway Safety Operating Trust Fund and used to purchase child safety seats.

(9) Before a motor vehicle which has not been manufactured in accordance with the federal Clean Air Act and the federal Motor Vehicle Safety Act can be sold to a consumer and titled and registered in this state, the motor vehicle must be certified by the United States Bureau of Customs and Border Protection or the United States Department of Transportation and the United States Environmental Protection Agency to be in compliance with these federal standards. A vehicle which is registered pursuant to this subsection shall not be titled as a new motor vehicle.

(10) An owner or person in charge of a motor vehicle subject to inspection pursuant to the Clean Outdoor Air Law shall provide proof of inspection or waiver at the time of registration of any such motor vehicle. The issuing agent shall refuse to register a motor vehicle if such proof of inspection or waiver is not provided.

(11) The department shall audit affidavits utilized as proof of insurance under subsection (5) to verify that the affidavits are not false. The department shall take action as appropriate with respect to false affidavits.

(12) The department is authorized to withhold registration or reregistration of any motor vehicle if the owner, or one of the co-owners of the vehicle, has a driver license which is under suspension for the failure to remit payment of any fines levied in this state pursuant to chapter 318 or chapter 322.

(13)(a) The license inspectors appointed by the department pursuant to s. [320.58](#) are empowered to issue a notice of violation on a form prescribed by the department to unattended motor vehicles that reasonably appear to such examiners to be required to be registered under this chapter and that are not so registered. The notice of violation shall include a summary of the provisions of this section and shall contain such other information as the department in its discretion shall determine.

(b) The owner or person in charge of any vehicle that is issued a notice of violation pursuant to this section shall, within 30 days of the date of issuance shown on the notice, register the vehicle as required by this chapter or provide proof satisfactory to the department that the vehicle is exempt from such registration. If the vehicle is not registered or the proof is not provided on or after the 31st day following the date of issuance shown on the notice, the department is authorized to immobilize the vehicle by use of an immobilization device. Upon proof of registration of the vehicle or proof satisfactory to the department that the vehicle is exempt from such registration, the department shall remove the immobilization device. The department shall immediately remove, at no charge, any immobilization device that has been placed on any vehicle in error.

(c) The license inspectors appointed by the department pursuant to s. [320.58](#) are empowered to enter upon both publicly owned and privately owned property in order to carry out the provisions of this section.

(d) Any person who, without the authorization of the department, disables, removes, tampers with, damages, or unlocks an immobilization device placed on a vehicle pursuant to this section, or who attempts to do so, is guilty of a misdemeanor of the second degree, punishable as provided in s. [775.082](#) or s. [775.083](#).

(14) The application form for motor vehicle registration must include language allowing an applicant who is deaf or hard of hearing to voluntarily indicate that he or she is deaf or hard of hearing. For purposes of this subsection, the department may not include in the motor vehicle record personal identifying information of, or any diagnosis of, a person for whom a diagnosis is indicated. The department must allow a motor vehicle owner or co-owner to update a motor vehicle registration to include or remove the "SAFE" designation under this subsection at any time.

The lienor must maintain proof that written notice to surrender the vehicle was sent to each registered owner pursuant to s. 320.1316(1). The department may not withhold an initial registration in connection with an applicant's purchase or lease of a motor vehicle solely because the applicant's name is on the list created by s. 320.1316.
